DIRECTORS' REPORT

The Directors present their annual report together with the audited financial statements for Causeway Funds plc (the "Company") for the financial year ended 31 December 2023.

Statement of Directors' responsibilities

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with Irish law.

Irish law requires the Directors to prepare financial statements for each financial year that gives a true and fair view of the Company's assets, liabilities and financial position as at the end of the financial year and of the profit or loss of the Company for the financial year. Under that law, the Directors have prepared the financial statements in accordance with Generally Accepted Accounting Practice in Ireland (accounting standards issued by the Financial Reporting Council), including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland" ("FRS 102").

Under Irish law, the Directors shall not approve the financial statements unless they are satisfied that they give a true and fair view of the Company's assets, liabilities and financial position as at the end of the financial year and of the profit or loss of the Company for the financial year.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards and identify standards in question, subject to any material departures from those standards being disclosed and explained in the notes to the financial statements; and
- prepare the financial statements on the going concern basis, with the exception of Global Value UCITS Fund which was fully redeemed on 15 December 2023, unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to:

- correctly record and explain the transactions of the Company;
- enable, at any time, the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy; and
- enable the Directors to ensure that the financial statements comply with the Companies Act 2014 and enable those financial statements to be audited.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The measures taken by the Directors to comply with the above requirements in preparing the financial statements and to ensure compliance with the Company's obligation to keep adequate accounting records are the use of appropriate

DIRECTORS' REPORT

(continued)

Statement of Directors' responsibilities (continued)

systems and procedures and employment of competent persons. To this end, the Directors have appointed BNY Mellon Fund Services (Ireland) Designated Activity Company (the "Administrator") for the purposes of maintaining adequate accounting records. Accordingly, the accounting records are kept at the office of the Administrator at One Dockland Central, Guild Street, IFSC, Dublin 1, Ireland. The Directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. Under the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (as amended), the Directors are required to entrust the assets of the Company to the Depositary for safekeeping. In carrying out this duty, the Company has delegated custody of its assets to The Bank of New York Mellon SA/NV, Dublin Branch (the "Depositary").

Audited annual reports are available on www.causewaycap.com. The Directors together with Causeway Capital Management LLC (the "Investment Manager") are responsible for the maintenance and integrity of the financial statements published on this website. Information published on the internet is accessible in many countries with different legal requirements. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement of Directors' compliance

The Directors acknowledge that they are responsible for securing the Company's compliance with the relevant obligations as set out in Section 225 of the Companies Act 2014.

The Directors confirm that:

- a compliance policy document has been drawn up that sets out policies that, in the Director's opinion, are appropriate to the Company, respecting compliance by the Company with its relevant obligations;
- appropriate arrangements or structures are in place that are, in the Director's opinion, designed to secure material compliance with the Company's relevant obligations; and
- during the financial year, the arrangements or structures referred to above have been reviewed.

Principal activities

The Company is an open-ended variable capital umbrella investment company with segregated liability between sub-funds (each a "Fund" and, collectively, the "Funds"), incorporated in Ireland with registration number 555895.

As at 31 December 2023, the Company is comprised of one active Fund Causeway Emerging Markets UCITS Fund, which was launched on 10 February 2016 with one share class, the Euro share class, followed by the USD share class, which was launched on 19 October 2016, closed on 14 June 2022, relaunched on 23 August 2022 and subsequently fully redeemed on 21 February 2023. Causeway Global Value UCITS Fund was initially launched on 13 August 2015, was fully redeemed on 14 February 2020 and was re-launched on 13 January 2021. On 15 December 2023, Causeway Global Value UCITS Fund was fully redeemed.

DIRECTORS' REPORT

(continued)

Business review and future developments

As of reporting date, the Directors have no reason to believe that the Company is not able to continue as a going concern. In the opinion of the Directors, this information related to Causeway Emerging Markets UCITS Fund is set out in the Investment Manager's Report on pages 9 to 11.

Results and dividends

The Statement of Financial Position and the Statement of Comprehensive Income are set out on pages 23 and 25, respectively.

The Directors do not anticipate paying dividends in respect of the Euro Accumulation Share Class. All income and profits earned by the share classes will accrue to the benefit of those classes of shares and will be reflected in the net asset value attributable to the relevant classes of shares. There were no distributing share classes issued and outstanding during the financial years ended 31 December 2023 and 31 December 2022.

Directors

The names of the persons who were Directors during the financial year ended 31 December 2023 are set out below:

Bronwyn Wright* (Irish)

Yvonne Connolly** (Irish)

Gracie V. Fermelia** (American)

* Non-executive, independent Director

** Non-executive Director

All of the Directors held office for the entire financial year.

Directors' and Company Secretary's interests

None of the Directors (including their families) or the Company Secretary, HMP Secretarial Limited, hold any interest in the share capital of the Company or the Funds as at 31 December 2023 (31 December 2022: 1). Bronwyn Wright held 1 share in Causeway Emerging Markets UCITS Fund which was redeemed 21 February 2023.

Main risks and uncertainties

The prospectus of the Company sets out a comprehensive disclosure of the risks that the Company faces. Details of the main risks inherent in investing in the Company are set out in note 4 to the financial statements.

Events arising in Ukraine and Global Conflicts

Russia's invasion of Ukraine in February 2022, the resulting responses by the U.S. and other countries, and the potential for wider conflict, have increased and may continue to increase volatility and uncertainty in financial markets worldwide. The U.S. and other countries have imposed broad-ranging economic sanctions on Russia and Russian entities and individuals, and may impose additional sanctions, including on other countries that provide military or economic support to Russia. These sanctions, among other things, restrict companies from doing business with Russia and Russian issuers, and may adversely affect companies with economic or financial exposure to Russia and Russian

DIRECTORS' REPORT

(continued)

Main risks and uncertainties (continued)

issuers. The extent and duration of Russia's military actions and the repercussions of such actions are not known. The invasion may widen beyond Ukraine and may escalate, including through retaliatory actions and cyberattacks by Russia and even other countries. These events may result in further and significant market disruptions and may adversely affect regional and global economies including those of Europe and the U.S. Certain industries and markets, such as those involving oil, natural gas and other commodities, as well as global supply chains, may be particularly adversely affected. Whether or not the Funds invest in securities of issuers located in Russia, Ukraine and adjacent countries or with significant exposure to issuers in these countries, these events could negatively affect the value and liquidity of the Funds' investments.

The Manager continues to assess the impact on valuation and liquidity and will take any potential actions needed, in accordance with the Funds' valuation policies and procedures. Causeway Emerging Markets UCITS Fund had exposure to Russian securities through global depositary receipts listed on the London Stock Exchange, which are no longer trading and for which no value has been ascribed since March 2022.

In addition, armed conflict between Israel, Hamas and other groups in the Middle East and related events could cause significant market disruptions and volatility. These and other similar events could negatively affect Fund performance.

Significant events

Please refer to Note 13 to the financial statements for material events that have a material bearing on the understanding of the financial statements.

Subsequent events

Please refer to Note 14 to the financial statements for subsequent events affecting the Company since the financial year end.

Independent auditors

The Auditors, PricewaterhouseCoopers, have indicated willingness to continue in office in accordance with Section 383 (2) of the Companies Act 2014.

Connected person transactions

Regulation 43(1) of the UCITS Regulations "Restrictions on transactions with connected persons" states that "A responsible person shall ensure that any transaction between a UCITS and a connected person is conducted a) at arm's length; and b) in the best interest of the shareholders of the UCITS".

As required under UCITS Regulation 81.4, the Directors of the Manager (the Responsible Person) are satisfied that there are in place arrangements, evidenced by written procedures, to ensure that the obligations that are prescribed by Regulation 43(1) are applied to all transactions with a connected person; and all transactions with a connected person that were entered into during the financial period to which the report relates complied with the obligations that are prescribed by Regulation 43(1).

DIRECTORS' REPORT

(continued)

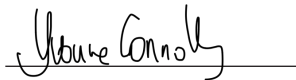

Statement of relevant audit information

So far as each person who was a Director at the date of approving this report is aware, there is no relevant audit information, being information needed by auditors in connection with preparing their report, which they have not disclosed to the auditors. Each Director has taken all the steps that they are obliged to take as a Director in order to make themselves aware of any relevant audit information and to ensure that it is disclosed to the auditors.

Approved on behalf of the Board of Directors:

REPORT FROM THE DEPOSITARY TO THE SHAREHOLDERS DATED 24 APRIL 2024

For the period from 1 January 2023 to 31 December 2023 (the “Period”)

The Bank of New York Mellon SA/NV, Dublin Branch (the “Depositary” “us”, “we”, or “our”) has enquired into the conduct of Causeway Funds plc (the “Company”) for the Period, in its capacity as depositary to the Company.

This report including the opinion has been prepared for and solely for the shareholders in the Company, in accordance with our role as depositary to the Company and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown.

Responsibilities of the Depositary

Our duties and responsibilities are outlined in Regulation 34 of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (S.I. No 352 of 2011), as amended (the “Regulations”).

Our report shall state whether, in our opinion, the Company has been managed in that period in accordance with the provisions of the Company’s constitutional documentation and the Regulations. It is the overall responsibility of the Company to comply with these provisions. If the Company has not been so managed, we as depositary must state in what respects it has not been so managed and the steps which we have taken in respect thereof.

Basis of Depositary Opinion

The Depositary conducts such reviews as it, in its reasonable opinion, considers necessary in order to comply with its duties and to ensure that, in all material respects, the Company has been managed (i) in accordance with the limitations imposed on its investment and borrowing powers by the provisions of its constitutional documentation and the appropriate regulations and (ii) otherwise in accordance with the Company’s constitutional documentation and the appropriate regulations.

Opinion

In our opinion, the Company has been managed during the Period, in all material respects:

(i) in accordance with the limitations imposed on the investment and borrowing powers of the Company by the constitutional documentation and the Regulations; and

(ii) otherwise in accordance with the provisions of the constitutional documentation and the Regulations.

INVESTMENT MANAGER'S REPORT

Causeway Emerging Markets UCITS Fund

For the twelve months ended 31 December 2023, Causeway Emerging Markets UCITS Fund's (the "Fund") Euro Accumulation share class returned 14.80%, compared to 6.53% for the MSCI Emerging Markets Index (in EUR) ("Index"). The total return of the Fund's Euro Accumulation share class, since inception on 10 February 2016, is 6.61% compared to the Index's (in EUR) total return of 7.52%.

Performance Review

Emerging markets stocks posted positive returns during the calendar year. The top performing markets in our investable universe were Hungary, Greece, and Poland. The worst performing markets were China, Thailand, and Kuwait. The best performing sectors in the Index were information technology, energy, and financials. The worst performing sectors were real estate, consumer discretionary, and health care.

We use both bottom-up "stock-specific" and top-down factor categories to seek to forecast alpha for the stocks in the Fund's investable universe. Our bottom-up valuation, earnings growth, and competitive strength factors were positive indicators during the period. Technical indicators were negative during the year. Of our top-down factors, currency was a positive indicator and macroeconomic was a negative indicator. Prior to September 1, 2023, country aggregate and sector aggregate were separate factor categories. As part of our continuous effort to enhance our quantitative model, we combined country aggregate and sector aggregate effective September 1st. This country/sector aggregate factor combines country and sector analysis, recognizing that many sectors are locally-oriented and may not be comparable across countries, while other sectors are global in nature. For example, we believe comparing financials companies across countries has little predictive value as each country has its own central bank, interest rate dynamics, and macroeconomic drivers affecting the credit cycle. However, comparing energy or mining companies across different countries can be useful since these businesses tend to sell into a global marketplace. From the September 1st effective date through the end of the calendar year, the country/sector aggregate factor was a negative indicator.

Over the year, Fund holdings in the emerging Asia region contributed to relative performance, due primarily to positive stock selection in India and Taiwan. Relative performance was neutral in the emerging Europe, Middle East, and Africa ("EMEA") region. In emerging Latin America, positioning in Mexico detracted from relative performance. From a sector perspective, the greatest contributors to relative performance were information technology, financials, and consumer discretionary. The largest detractors from relative performance were communication services, health care, and materials. The top stock-level contributors to relative performance included overweight positions in utility and infrastructure financing company, REC Ltd. (India), bank, Banco do Brasil SA (Brazil), and computer hardware manufacturer, Gigabyte Technology Co., Ltd. (Taiwan). The largest detractors from relative performance included overweight positions in online services company, Tencent Holdings Ltd. (China), and polysilicon manufacturer, Daqo New Energy (China), as well as an underweight position in semiconductor company, SK hynix, Inc. (South Korea).

Significant Changes

The largest sales during the period included e-commerce giant, Alibaba Group Holding Ltd. (China), bank, China Construction Bank Corp. (China), bank, Banco do Brasil SA (Brazil), online agricultural retailer, PDD Holdings

INVESTMENT MANAGER'S REPORT

(continued)

Causeway Emerging Markets UCITS Fund (continued)

Significant Changes (continued)

(China), oil & gas producer, PetroChina Co., Ltd. (China), and automobile manufacturer, Kia Corp. (South Korea). Significant purchases included semiconductor engineer, MediaTek, Inc. (Taiwan), power distributor, Power Grid Corp. of India Ltd. (India), steelmaker, Gerdau SA (Brazil), bank, Agricultural Bank of China (China), and automobile manufacturer, Tata Motors Ltd. (India).

Economic Outlook

The yield on the 10-Year US Treasury Note has increased over the trailing 12-months, due in part to the US Federal Reserve's interest rate hikes. Rising US interest rates weighed on some of the lower-yielding EM currencies in Asia. In December, Moody's Investors Service lowered its outlook for Chinese sovereign bonds from stable to negative. Moody's contended that the Chinese government will need to absorb a significant portion of total public debt, which would undermine its creditworthiness. While the debt downgrade did not reflect new information, it could impact investor sentiment. On the regulatory front, the Chinese gaming regulator published a draft proposal outlining more restrictions on the gaming industry. The Fund held two gaming-related companies as of year-end. After consultation with our fundamental researchers, we believe that the negative share price reaction was excessive given the publication was simply a proposal and the authorities are far from enacting legislation. We will continue to monitor the situation. The Fund is modestly overweight Chinese stocks. In India, gross domestic product ("GDP") growth has exceeded consensus estimates, due in part to increased state spending on infrastructure projects. Additionally, the Bharatiya Janata Party ("BJP") performed well in the latest round of state elections, indicating the party has strong momentum entering the 2024 national election. Therefore, the re-election of Prime Minister Narendra Modi currently looks highly likely, which should be viewed favorably by markets as he is perceived by many investors as business-friendly. The Fund is overweight Indian stocks due to favorable bottom-up and top-down characteristics.

Investment Outlook

After appearing less attractive for much of the year, earnings growth upgrades for EM equities are becoming, in our view, more attractive relative to those in ex-US developed markets. Within EM, communication services and consumer discretionary are exhibiting the most net upgrades. In both sectors, growth expectations for select Chinese stocks are driving the optimistic outlook. In addition, consumer discretionary stocks are also supported by positive sentiment surrounding South Korean automobile manufacturers. The Fund is overweight consumer discretionary stocks due in part to valuation and growth considerations. On the negative side, materials are experiencing the most net downgrades due to lackluster demand for commodities, excluding oil, from global consumers, including China. The Fund is underweight materials companies, particularly those in the chemicals and metals & mining industries, due in part to growth considerations. Within EM, we continue to identify, in our view, attractive investment opportunities in small cap companies. Historically, our investment process has uncovered EM small cap stocks with alpha potential. The Fund's allocation to small cap stocks was near the high end of the historical range at year-end.

INVESTMENT MANAGER'S REPORT

(continued)

Causeway Emerging Markets UCITS Fund (continued)

Investment Outlook (continued)

The Causeway emerging markets strategy uses quantitative factors that can be grouped into seven categories: valuation, growth, technical indicators, competitive strength, macroeconomic, country/sector, and currency. The return attributed to a factor is the difference between the equally weighted average return of the highest ranked quintile of companies in the strategy's emerging markets universe based on that factor and that of the lowest ranked quintile of companies.

The market commentary expresses the portfolio managers' views as of the date of this report and should not be relied on as research or investment advice regarding any stock. Causeway Capital Management LLC
February 2024

Independent auditors' report to the members of Causeway Funds plc

Report on the audit of the financial statements

Opinion

In our opinion, Causeway Funds plc's financial statements:

- give a true and fair view of the Company's and Funds' assets, liabilities and financial position as at 31 December 2023 and of their results for the year then ended;
- have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland (accounting standards issued by the Financial Reporting Council of the UK, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Irish law); and
- have been properly prepared in accordance with the requirements of the Companies Act 2014 and the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (as amended).

We have audited the financial statements, included within the Annual Report and Audited Financial Statements, which comprise:

- the Statement of Financial Position as at 31 December 2023;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares for the year then ended;
- the Schedule of Investments for Causeway Emerging Market UCITS Fund as at 31 December 2023; and
- the notes to the financial statements for the Company and for each of its Funds, which include a description of the accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) ("ISAs (Ireland)") and applicable law.

Our responsibilities under ISAs (Ireland) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, which includes IAASA's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter - financial statements prepared on a basis other than going concern

In forming our opinion on the financial statements, which is not modified, we draw attention to note 2 to the financial statements which describes the reasons why the financial statements of Causeway Global Value UCITS Fund have been prepared on a basis other than going concern.

Conclusions relating to going concern

With the exception of Causeway Global Value UCITS Fund where a basis of accounting other than going concern has been adopted as set out in the Emphasis of matter - financial statements prepared on a basis other than going concern above, based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's and Fund's ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

With the exception of Causeway Global Value UCITS Fund where a basis of accounting other than going concern has been adopted as set out in the Emphasis of matter - financial statements prepared on a basis other than going concern above, in

auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the Company's and Fund's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Reporting on other information

The other information comprises all of the information in the Annual Report and Audited Financial Statements other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the Companies Act 2014 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (Ireland) and the Companies Act 2014 require us to also report certain opinions and matters as described below:

- In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2023 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.
- Based on our knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' responsibilities set out on pages 3 & 4, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view.

The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's and Funds' ability to continue as going concerns, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our audit testing might include testing complete populations of certain transactions and balances, possibly using data auditing techniques. However, it typically involves selecting a limited number of items for testing, rather than testing complete populations. We will often seek to target particular items for testing based on their size or risk characteristics. In other cases, we will use audit sampling to enable us to draw a conclusion about the population from which the sample is selected.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA website at:

https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf.

This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with section 391 of the Companies Act 2014 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2014 opinions on other matters

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.

Companies Act 2014 exception reporting

Directors' remuneration and transactions

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of that Act have not been made. We have no exceptions to report arising from this responsibility.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

I. General information

Causeway Funds plc (the “Company”) is an open-ended umbrella type investment company with variable capital, incorporated in Ireland on 15 January 2015 with registration number 555895. The Company has been authorised by the Central Bank of Ireland (the “Central Bank”) as an undertaking for collective investment in transferable securities pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 (as amended) (the “UCITS Regulations”) and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 (the “Central Bank UCITS Regulations”).

The Company is structured as an umbrella fund with segregated liability between sub-funds (each a “Fund” and, collectively, the “Funds”). As at 31 December 2023, the Company has one sub fund in operation, Causeway Emerging Markets UCITS Fund. Causeway Emerging Markets UCITS Fund was launched on 10 February 2016 with one share class, the Euro Accumulation Share Class, followed by the USD Accumulation Share Class, which was launched on October 2016. USD Accumulation Share Class was fully redeemed as of 14 June 2022, and relaunched as of 23 August 2022 and subsequently fully redeemed on 21 February 2023. Causeway Global Value UCITS Fund was initially launched on 13 August 2015, was fully redeemed on 14 February 2020 and was re-launched on 13 January 2021. On 15 December 2023, Causeway Global Value UCITS Fund was fully redeemed.

The investment objectives of the Funds are detailed below:

*Causeway Global Value UCITS Fund**

The investment objective of the Fund was to seek long-term growth of capital and income. The Fund invested primarily in common and preferred stocks of United States and non-United States companies, including companies in emerging markets. The Fund was actively managed in reference to a benchmark, namely the MSCI ACWI Index. The benchmark did not impose any constraints on the investment strategy of the Fund. Normally, the Fund invested the majority of its total assets in companies that paid dividends or otherwise seek to return capital to shareholders, such as by repurchasing their shares. Up until redemption, the Fund may have invested up to 25% of its total assets in companies in emerging (less developed) markets. The Fund may have invested in companies of any market capitalisation, and was not required to invest a minimum amount and was not limited to investing a maximum amount in any particular country.

*Causeway Global Value UCITS Fund was fully redeemed on 15 December 2023.

Causeway Emerging Markets UCITS Fund

The investment objective of the Fund is to seek long-term growth of capital in emerging markets. The Fund is actively managed in reference to a benchmark, namely the MSCI Emerging Markets (“MSCI EM”) Index. The benchmark provides a reference for certain country-specific constraints, as outlined below, but the Fund does not track the MSCI EM Index and the Fund’s holdings will differ from the benchmark. The Fund

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

normally invests at least 80% of its total assets in equity securities of companies in emerging markets and investments that are tied economically to emerging markets, such as common stock, preferred and preference stock, legal structures known as variable interest entities, depositary receipts, real estate investment trusts and exchange-traded funds that invest in emerging markets securities. The Fund generally invests in companies with market capitalisations of USD 500 million or greater at the time of investment and may invest in a wide range of industries.

2. Significant accounting policies

The principal accounting policies applied in preparation of these financial statements are set out below.

Basis of preparation

The financial statements are prepared in accordance with Financial Reporting Standard 102 “The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland” (“FRS 102”) and Irish Statute comprising the Companies Act 2014, the UCITS Regulations and the Central Bank UCITS Regulations.

The format and certain wording of the financial statements have been adapted from that contained in the Companies Act 2014 so that, in the opinion of the Directors, it more appropriately reflects the nature of the Company’s business as an investment company.

The financial statements have been prepared on a going concern basis, with the exception of Global Value UCITS Fund which was fully redeemed on 15 December 2023, which assumes that the Fund and the Company will continue in operational existence for the foreseeable future. The performance, liquidity and

risks of the Company are reviewed on a regular basis throughout the financial year. Details of the risks are disclosed in Note 4 of the financial statements. The financial statements are prepared under the historical cost convention with the exception of financial assets and financial liabilities held at fair value through profit or loss that have been measured at fair value.

The Company has availed of the exemption available to investment funds under FRS 102, Section 7 “Statement of Cash Flows” not to prepare a cash flow statement.

All references to net assets throughout this document refer to net assets attributable to holders of redeemable participating shares unless otherwise stated.

Functional and presentation currency

Items included in the Company’s financial statements are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). In accordance with FRS 102, Section 30 “Foreign Currency Translation”, the functional currency of each Fund has been evaluated by the Directors in the current financial year.

The functional currency and presentation currency of each Fund is US Dollar (“USD”). The financial statements are also presented in USD, which is the Company’s presentational currency.

Foreign currency transactions and balances

Foreign currency assets and liabilities, including net assets attributable to holders of redeemable participating shares, are translated into the functional currency using the closing rate applicable at the reporting date. Foreign currency income and expenses in the Statement of

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

Comprehensive Income and proceeds from redeemable participating shares issued and the cost of redeemable participating shares redeemed in the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares are translated into the functional currency at the exchange rates prevailing at the dates of the transactions.

Foreign exchange gains and losses arising from translation are included in the Statement of Comprehensive Income within net gains/(losses) on financial assets and financial liabilities at fair value through profit or loss.

Please refer to Note 3 to the financial statements for exchange rates at the financial year end date.

Financial assets and financial liabilities at fair value through profit or loss

(i) Classification

The Company classifies its investments as financial assets or financial liabilities at fair value through profit or loss.

This category has two sub-categories: financial assets or financial liabilities held for trading, and those designated at fair value through profit or loss at inception.

A financial asset or financial liability is classified as held for trading if it is acquired or incurred principally for the purpose of selling or repurchasing in the near term or if on initial recognition is part of a portfolio of identifiable financial investments that are managed together and for which there is evidence of a recent actual pattern of short-term profit taking. This includes investments in preferred stock, common stock and futures contracts.

Financial assets and financial liabilities designated at fair value through profit or loss at inception are financial instruments that are not classified as held for trading but are managed, and their performance is evaluated on a fair value basis in accordance with the investment strategy of the Funds as documented in the prospectus of the Company including any relevant supplement of the Funds (the "Prospectus"). This includes investments in collective investment schemes.

(ii) Recognition and de-recognition

The Company recognises a financial asset or financial liability when, and only when, the Company becomes a party to the contractual provisions of the instrument.

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or the Funds have transferred substantially all risks and rewards of ownership.

Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expired.

(iii) Measurement

Financial assets and financial liabilities at fair value through the profit and loss are initially recognised at fair value.

Subsequent to initial recognition, all financial assets and financial liabilities are measured at fair value through profit or loss.

(iv) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly trans-

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

action between market participants at the measurement date. The fair value of financial assets and financial liabilities which are quoted or dealt in on a recognised market is based on quoted market prices at the Statement of Financial Position date. In accordance with FRS 102, the Company has applied the recognition and measurement provisions of International Accounting Standards 39 “Financial Instruments: Recognition and Measurement” (“IAS 39”) as adopted for use in the European Union and the disclosure requirements of Section 11 “Basic Financial Instruments” and Section 12 “Other Financial Instruments Issues” of FRS 102.

Accordingly, the quoted market price used for financial assets and financial liabilities is the last traded market price.

Collective investment schemes are valued at the last available net asset value per share as published by the relevant collective investment scheme or, if listed or traded on a recognised market, the valuation is based on the last traded prices at the Statement of Financial Position date.

The fair value of financial assets and financial liabilities which are not quoted, listed or dealt with on a recognised market or which are quoted, listed or dealt in on a recognised market but for which prices are not available shall be the probable realisation value estimated with care and in good faith by such competent person(s) as may be appointed by the Directors and approved for the purpose by The Bank of New York Mellon SA/NV, Dublin Branch (the “Depositary”). In valuing such investments, the Directors or such competent person(s) may have regard to such fair value criteria as may be set out in the Board-approved procedures from time to time.

Initial margin deposits are made upon entering into futures contracts and are generally made in cash or cash equivalents. Futures contracts dealt in on a market, such as those used by the Funds, are fair valued based upon their quoted daily settlement prices. Changes in the value of futures contracts are recognised as unrealised gains or losses on futures contracts until the contracts are terminated, at which time the realised gain and loss are recognised. Realised gains or losses on futures contracts are included in net gains/(losses) on financial assets and financial liabilities at fair value through profit or loss. The variation margin receivable or payable at the reporting date is reported as an asset or liability, as applicable, in the Statement of Financial Position.

Forward foreign currency contracts are fair valued by an independent price source by reference to the price at which a new forward contract of the same size and maturity could be undertaken.

(v) Net gains/(losses) on financial assets and financial liabilities at fair value through the profit or loss

Unrealised gains and losses arising from changes in the fair value of financial instruments are included in net gains/(losses) on financial assets and financial liabilities at fair value through profit or loss in the Statement of Comprehensive Income in the financial year in which they arise. Realised gains and losses on disposals are calculated using the average cost method and are also included in net gain/(loss) on financial assets and financial liabilities at fair value through profit or loss in the Statement of Comprehensive Income.

(vi) Offsetting

Financial assets and financial liabilities are offset and the net amount reported in the Statement of Financial Posi-

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

tion where the Funds have a legally enforceable right to set-off the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. Currently, the Funds are not a party to any netting arrangements or agreements.

Cash and cash equivalents and bank overdrafts

Cash and cash equivalents, which are readily convertible into cash and have original maturities of 90 days or less, and bank overdrafts are recognised at cost which approximates fair value on the reporting date. All cash and cash equivalents balances and bank overdrafts are held with the global sub-custodian of the Depository, The Bank of New York Mellon SA/NV (the “Global Sub-Custodian”).

The Central Bank published the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) Investor Money Regulations 2015 for Fund Service Providers (the “Investor Money Regulations” or “IMR”) in March 2015 (effective from 1 July 2016). Carne Global Fund Managers (Ireland) Limited (the “Manager”), together with the Administrator, have implemented procedures in relation to the way subscription and redemption monies are directed to the Company effective from 1 July 2016. These transactions are channelled through an umbrella cash collection account in the name of the Company. Pending issue of the shares and/or payment of subscription proceeds to an account in the name of the Company, and pending payment of redemption proceeds or distributions, the relevant investor will be an unsecured creditor of the relevant Fund in respect of amounts paid by or due to it. As at 31 December 2023, the cash balances in the umbrella cash collection account is nil in respect of the

Funds and is not adjusted in the financial statements (31 December 2022: nil).

Securities sold receivable

Securities sold receivable represents receivables for securities sold that have been contracted for but not yet settled or delivered on the Statement of Financial Position date. These amounts are recognised initially at fair value and subsequently measured at amortised cost.

Securities purchased payable

Securities purchased payable represents payables for securities purchased that have been contracted for but not yet settled or delivered on the Statement of Financial Position date. These amounts are recognised initially at fair value and subsequently measured at amortised cost.

Redeemable participating shares

Redeemable participating shares are redeemable at the shareholder’s option and are classified as financial liabilities.

Shares may be redeemed at the net asset value per share on each redemption date. The net asset value per share of each class of shares will be calculated by determining that part of the net asset value of each Fund attributable to each such class of shares and dividing this value by the number of shares of that class in issue.

Dividend income and interest income

Dividend income is recognised on an accrual basis when the right of the Funds to receive payments is established. Dividend income is shown gross of any

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

withholding taxes, which is disclosed in the Statement of Comprehensive Income, and net of any tax credits. Interest income for the financial year is earned on cash.

Fees, commission and other expenses

Fees, commission and other expenses are recognised in the Statement of Comprehensive Income on an accrual basis.

Transaction costs

Transaction costs are costs incurred to acquire financial assets or financial liabilities at fair value through profit or loss and include fees, stamp taxes and other transaction taxes and commissions paid to agents, advisers, brokers, dealers and governments. Transaction costs, when incurred, are immediately recognised in the Statement of Comprehensive Income and are included within net gains/(losses) on financial assets and financial liabilities at fair value through profit or loss. Please refer to Note 9 to the financial statements for details of transaction costs incurred by the Funds.

Dividend policy

The Funds do not intend to declare any dividends for Euro Accumulation Share Class, and did not declare any dividends in the financial year. All income and profits earned by the Funds attributable to the relevant share classes will accrue to the benefit of those classes of shares and are reflected in the net asset value attributable to the relevant classes of shares. There were no shares of distributing share classes issued and outstanding during the financial year.

Withholding taxes

Under current law and practice, there is no income, gains or other taxes payable by the Funds in Ireland.

The Funds currently incur withholding taxes imposed by certain countries on investment income and capital gains. Withholding taxes are disclosed separately in the Statement of Comprehensive Income and net of any tax credits.

Capital gains tax

Causeway Emerging Markets UCITS Fund accrues for Brazilian capital gains tax based on unrealised gains to provide for potential tax payable upon the sale of appreciated Brazilian securities. The capital gains tax is recorded in accordance with the understanding of the change in Brazilian tax regulations and rates on Irish investors, such as Causeway Emerging Markets UCITS Fund, which came into effect on 1 October 2016. The capital gains tax expense/income and the amounts payable at the financial year end are reflected in the “foreign capital gains tax on appreciated securities” and “accrued foreign capital gains tax on appreciated securities” figures in the Statement of Comprehensive Income and Statement of Financial Position, respectively.

As the gains are realised and capital gains tax is paid on the sale of appreciated Brazilian securities, the accrual is released and movements are recorded in the Statement of Comprehensive Income.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

3. Exchange rates

The financial statements are prepared in USD. The following financial year end exchange rates have been used to translate assets and liabilities in other currencies to USD:

	31 December 2023	31 December 2022
Brazilian Real	4.85759	5.27974
Chinese Yuan Renminbi	7.09222	6.95172
Euro	0.90602	0.93424
Hong Kong Dollar	7.80901	7.80227
Indian Rupee	83.21373	82.73002
Indonesian Rupiah	15,397.00063	15,567.50041
Korean Won	1,287.90009	1,264.50000
Kuwaiti Dinar	0.30724	0.30586
Mexican Peso	16.97102	19.48702
Polish Zloty	3.93634	–
Qatari Riyal	3.64103	3.64177
Saudi Riyal	3.75002	3.75800
Taiwan Dollar	30.69052	30.73551
Thai Baht	34.13251	34.63499
Turkish Yen	29.45252	18.70199
UAE Dirham	3.67273	3.67260

4. Financial risk management

Strategy in using financial instruments

The Company's investment activities expose it to the various types of risk, which are associated with the financial instruments and markets in which it invests. The Prospectus sets out a comprehensive disclosure of the risks that the Company faces.

The assets of the Funds are invested separately in accordance with the investment objectives and policies of each Fund, which are outlined in Notes 1 and 2 to the financial statements.

Efficient portfolio management

In calculating the global exposure, the Company adopts a commitment approach in managing risks. This

approach will be applied to all financial derivative instruments which can be used to protect against foreign exchange risks or for the purpose of efficient portfolio management. The Company may enter into a variety of financial derivative instruments for the purposes of efficient portfolio management only and subject to the conditions and limits set out in the Central Bank UCITS Regulations.

Efficient portfolio management for these purposes means the use of financial derivative instruments with one of the following aims: a reduction of risk, a reduction of cost or generation of additional capital or income with a level of risk consistent with the risk profile of the Funds and the risk diversification rules set out in the Central Bank UCITS Regulations.

Causeway Emerging Markets UCITS Fund may use futures contracts to obtain exposures to global equity markets for efficient portfolio management. Futures contracts may be used to “equitize cash”—that is, manage cash inflows and outflows whereby the Fund can gain efficiency by using futures as compared to other securities.

As at 31 December 2023 and 31 December 2022, there were no open transactions at the end of the financial year.

All realised gains and losses arising from futures and forward foreign currency contracts are included in net gains/(losses) on financial assets and financial liabilities at fair value through profit or loss in the Statement of Comprehensive Income.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

The main risks arising from the Company's investments are set out below:

Market risk

This is the risk that the fair value of a financial instrument will fluctuate because of changes in market prices. Also, Causeway Capital Management LLC (the "Investment Manager") may select securities that underperform the stock market or other funds with similar investment objectives and investment strategies. Market risk comprises three types of risk: currency risk, interest rate risk and price risk.

(i) Currency risk

This is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Funds may invest in financial instruments and enter into transactions that are denominated in currencies other than their functional currency. Consequently, each Fund is exposed to risk that the exchange rate of its currency relative to other foreign currencies may change in a manner that has an adverse effect on the fair value or future cash flows of that portion of the Fund's financial assets or financial liabilities denominated in currencies other than USD. Further, companies located in foreign countries may conduct business or issue debt denominated in currencies other than their domestic currencies, creating additional risk if there is any disruption, abrupt change in the currency markets, or illiquidity in the trading of such currencies.

The Investment Manager monitors positions on a daily basis after translation into USD and may consider a Fund's currency exposure as part of its investment strat-

egy when investing in securities denominated in a particular currency. The Funds may (but are not required to) engage in forward foreign exchange or currency swap transactions to seek to provide protection against exchange rate risk. The Funds did not engage in any such transactions in the current or prior financial year, but may do so in the future.

The tables overleaf summarise the assets and liabilities, monetary and non-monetary, as at 31 December 2023 and 31 December 2022, which are denominated in a currency other than the base currency of the Funds:

Foreign currency exposure 31 December 2023	Monetary assets	Non-monetary assets	Monetary liabilities	Net exposure

(ii) Interest rate risk

This risk is composed of fair value interest rate risk and cash flow interest rate risk. Fair value interest rate risk is defined as the risk that the fair value of a financial instrument will fluctuate because of changes in market interest rates. This risk arises in respect of financial instruments whose fair value is affected by changes in interest rates.

Cash flow interest rate risk is the yield risk arising from changes in interest rates, i.e. changes in interest rates would have a direct impact on the yield generated by the securities held by a Fund over the financial year.

During the financial year, the majority of the Funds' financial assets are non-interest bearing. As a result, these assets are not subject to significant amounts of risk due to fluctuations in the prevailing levels of market interest rates. Any excess cash and cash equivalents are invested in a money market mutual fund at short-term market interest rates.

(iii) Price risk

This is the risk that the fair value of a financial instrument will fluctuate because of changes in market prices

(other than those arising from interest rate risk and currency risk), whether those changes are caused by factors specific to individual financial instruments or its issuer, or other factors affecting similar financial instruments traded in the market.

Investing internationally presents certain risks. For example, the value of the Funds' securities may be affected by social, political and economic developments and laws relating to foreign investment. Other risks include trading, settlement, custodial, and other operational risks; withholding or other taxes; and the less stringent investor protection and disclosure standards of some foreign markets. All of these factors can make foreign securities less liquid, more volatile and harder to value. These risks are higher for emerging markets investments.

Value stocks, including those previously selected by the Investment Manager for Causeway Global Value UCITS Fund, were subject to the risks that their intrinsic value may never be realised by the market and that their prices may go down. Causeway Global Value UCITS Fund's value discipline sometimes prevented or limited investments in stocks that were in its performance comparison benchmark index, the MSCI ACWI Index.

Data for emerging markets companies may be less available, less accurate and/or less current than data for developed markets companies. The Investment Manager's quantitative processes and stock selection for Causeway Emerging Markets UCITS Fund can be adversely affected if it relies on erroneous or outdated data. In addition, securities selected using quantitative analysis can perform differently from the market as a whole.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

The use of forward foreign currency contracts and futures contracts subject the Funds to additional risks. Futures and forward foreign currency contracts are derivative instruments which can be volatile and involve special risks including leverage risk, credit risk, and basis risk (the risk that the value of the investment will not react in parallel with the value of the reference assets or index).

The Investment Manager seeks to manage market price risk through building diversified investment portfolios as may be appropriate for the Funds and in accordance with the Central Bank UCITS Regulations and the investment objective of each Fund.

An analysis of this diversification by Fund is provided in the Schedule of Investments. The market positions of the Funds are regularly reviewed and evaluated by the Investment Manager.

The tables below summarise the sensitivity of the Funds' net assets attributable to holders of redeemable participating shares to equity price movements as at 31 December 2023 and 31 December 2022. The analysis for the Funds assume the maximum decrease and increase in the relevant Index over the prior 15 year-period with all other variables held constant and uses the 5-year beta of the strategy's portfolio (based on other accounts of the Investment Manager) with movements in the Index. This represents management's estimate of a possible shift in the Index, having regard to historical index data as of 31 December and the Funds' sensitivity to the Index. The estimate is generated using historical beta information; historical

information may not be representative of future movements or developments.

31 December 2023	Benchmark Index	Beta	Reasonable Potential Shift in Index	Increase or Decrease in Financial Assets at Fair Value through Profit or Loss USD
Causeway Emerging Markets UCITS Fund				
Effect of an increase	MSCI Emerging Markets Index	0.98	79%	49,624,140
Effect of a decrease	MSCI Emerging Markets Index	0.98	(20%)	12,393,700

As at 31 December 2023, there were no investments held by Causeway Global Value UCITS Fund. Hence, the Fund is no longer subject to price risk.

31 December 2022	Benchmark Index	Beta	Reasonable Potential Shift in Index	Increase or Decrease in Financial Assets at Fair Value through Profit or Loss USD
Causeway Global Value UCITS Fund				
Effect of an increase	MSCI ACWI Index	1.29	35%	13,885,055
Effect of a decrease	MSCI ACWI Index	1.29	(42%)	16,662,066

Effect of a decrease	MSCI Emerging Markets Index	0.99	(53%)	28,340,753

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

Credit risk

This is the risk that a party or issuer of a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. This includes counterparty risk and issuer risk. It arises principally from cash and cash equivalents, balances due from the sale of securities and dividends and other receivables. The extent of the Funds exposure to credit risk in respect of these financial assets approximates their carrying values as recorded in the Statement of Financial Position.

The Company employs a risk management process enabling the Investment Manager to measure, monitor and manage the risks attached to financial derivative instruments, and details of this process are included in a Risk Management Process (RMP), which has been provided to the Central Bank.

Substantially all of the cash and investments of the Funds are held by the Depositary to the Company.

The Funds' investments are segregated from the assets of either the Depositary or its agents. Thus, in the event of insolvency or bankruptcy of the Depositary, the Funds' investments are segregated from those of the Depositary or its agents. The Company, will, however, be exposed to the credit risk of the Depositary, or any depository used by the Depositary, in relation to the Funds' cash held by the Depositary. In the event of insolvency or bankruptcy of the Depositary, the Funds will be treated as a general creditor of the Depositary in relation to cash and cash equivalents of the Funds.

The Bank of New York Mellon SA/NV, the parent of the Depositary, has a long-term credit rating, AA- as at 31 December 2023 (31 December 2022: AA-).

Liquidity risk

This is the risk that the Funds may not be able to generate sufficient cash resources to settle their obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Funds are exposed to liquidity risk in meeting their redemption requests. This risk is managed by investing primarily in liquid securities which may be readily disposed to meet shareholder redemption requests. Moreover, as set forth in the Prospectus, a Fund may employ some or all of the following options if it believes it may not be able to meet significant redemption requests within the time periods specified in the Prospectus: defer redemption requests above the noted threshold, require redemption in kind, and/or impose redemption or transaction fees. To date, the Funds have not imposed these options.

All of the financial liabilities of the Funds are due within one month after the reporting date.

Capital risk management

The capital of the Funds are represented by the net assets attributable to holders of redeemable participating shares at the end of the financial year. The amount of net assets attributable to holders of redeemable participating shares can change significantly on a daily basis as the Funds are subject to daily subscriptions and redemptions at the discretion of the shareholders.

To manage this risk, the Manager may, in its absolute discretion, refuse to redeem, on any one redemption date, shares in excess of 10% of the net asset value of each Fund. In this event, the limitation will apply pro rata so that all shareholders wishing to have their shares

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

redeemed on that redemption date redeem the same proportion of such shares, and shares not redeemed will be carried forward for redemption on the next redemption date and all following redemption dates until the original request has been satisfied in full. No such redemption limitations were applied in the current or prior financial year.

Fair value estimation

The Company has classified fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3: Those with inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following tables provide an analysis of financial instruments as at 31 December 2023 and 31 December 2022 that are measured at fair value in accordance with FRS 102:

	Level 1	Level 2	Level 3	Total
Causeway Emerging Markets UCITS Fund				
31 December 2023	USD	USD	USD	USD
Preferred stock	247,747	—	—	247,747
Common stock	62,088,668	*1,056,702	—	63,145,370
Collective investment schemes	501,465	—	—	501,465
Financial Assets	62,837,880	1,056,702	—	63,894,582

	Level 1	Level 2	Level 3	Total
Causeway Emerging Markets UCITS Fund				
31 December 2022	USD	USD	USD	USD
Common stock	51,232,211	*1,637,894	—	52,870,105
Financial Assets	51,232,211	1,637,894	—	52,870,105

	Level 1	Level 2	Level 3	Total
Causeway Global Value UCITS Fund**				
31 December 2022	USD	USD	USD	USD
Common stock	30,711,630	—	—	30,711,630
Financial Assets	30,711,630	—	—	30,711,630

* Holdings represent securities, the values of which were adjusted due to "Foreign Line" securities using "Local Line" prices.

** Causeway Global Value UCITS Fund was fully redeemed on 15 December 2023.

Financial instruments, whose values are based on quoted market prices in the active markets, and therefore classified within level 1, include active preferred stock, common stock and collective investment schemes.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market price, dealer quotations or alternative pricing sources supported by observable inputs, and therefore classified within Level 2, include certain preferred stock.

Transfers between levels are deemed to have occurred at the beginning of the financial year. There were Level 3 securities recorded at fair value of zero as at 31 December 2023 and 31 December 2022 for Causeway Emerging Markets UCITS Fund. There were no transfers between levels during the financial year 31 December 2023.

Transfers of Russian Securities occurred from Level 1 to Level 3 for Causeway Emerging Markets UCITS during the financial year ended 31 December 2022.

Depository and title risk

The Depository is under a duty to take into custody and to hold the property of each Fund of the Company on

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

behalf of its shareholders. The Central Bank legally requires the Depositary to hold the non-cash assets of each Fund separately and to maintain sufficient records to clearly identify the nature and amount of all assets that it holds, the ownership of each asset and where the documents of title to such assets are physically located. When the Depositary employs a sub-custodian, the Depositary retains responsibility for the assets of the Funds.

However, it should be noted that not all jurisdictions have the same rules and regulations as Ireland regarding the custody of assets and the recognition of the interests of a beneficial owner such as the Funds. Therefore, in such jurisdictions, there is a risk that if a sub-custodian becomes bankrupt or insolvent, the Funds' beneficial ownership of the assets held by such sub-custodian may not be recognised and consequently the creditors of the sub-custodian may seek to have recourse to the assets of the Funds. In those jurisdictions where the Funds' beneficial ownership of its assets is ultimately recognised, the Funds may suffer delay and cost in recovering those assets. The Funds may invest in markets where custodial and/or settlement systems are not fully developed; the assets of the Funds which are traded in such markets and which have been entrusted to sub-custodians, in circumstances where the use of such sub-custodians is necessary, may be exposed to risk in circumstances whereby the Depositary will have no liability.

5. Net assets attributable to holders of redeemable participating shares

The Company has an authorised capital of 1,000,000,000,000 participating shares of no par value and 500,000 subscriber shares of USD 1 each. As only

participating shares can represent an interest in the Funds, the subscriber shares have no entitlement or interest in such Funds other than limited voting rights and are disclosed in the financial statements by way of note only. At the date of this report, the issued share capital of the Company includes 2 subscriber shares issued for the purpose of the incorporation and authorisation of the Company. As at 31 December 2023 and 31 December 2022, an employee of the Investment Manager and the Investment Manager each held 1 subscriber share for the purposes of complying with the Central Bank UCITS Regulations.

The Constitution provides that on a show of hands at a general meeting of the Company, at a meeting of holders of shares in a particular Fund or at a meeting of holders of shares of a particular share class, every holder of shares present in person or by proxy shall have one vote and on a poll every holder of shares present in person or by proxy shall have one vote in respect of each whole share held by him/her. Each holder of a subscriber share is entitled to attend and vote at any general meeting provided that the holder of a subscriber share shall not be entitled to exercise any voting rights in respect of any such subscriber share in relation to matters that are specific or relate to a Fund as set out in the Constitution or other matters prescribed by the Central Bank as requiring shareholder approval of the shareholders of that Fund.

The rights attached to any share class may, whether or not the Company is being wound up, be varied or abrogated with the consent in writing of the holders of 75% of the issued shares of that class or with the sanction of a special resolution passed at a separate general meeting of the holders of the shares of that class.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

The Constitution contains provisions relating to the rights of holders of subscriber shares and redeemable participating shares in the event of the winding up of the Company and these provisions are detailed in the Prospectus.

Details of the net asset value and the net asset value per share are included in the tables below.

(continued)

7. Significant agreements and transactions with related parties

FRS 102, Section 33 “Related Party Disclosures” requires the disclosure of information relating to material transactions with parties who are deemed to be related to the reporting entity.

Manager, Investment Manager and Investment Management Fees rebate

In the opinion of the Directors, the Manager and the Investment Manager are related parties of the Company. The Manager is responsible for the investment policy, objectives and management of the Company and its Funds. The Manager has appointed the Investment Manager to provide discretionary investment management and distribution services in respect of the Company and its Funds. The details of fee arrangements in place between the Company and its Manager and Investment Manager are discussed below.

Manager

Under the provisions of the Management Agreement, the Funds pay the Manager a fee not exceeding 0.025% per annum of the net asset value of each Fund in respect of the first EUR 500,000,000 and 0.02% thereafter, subject to a minimum monthly fee of EUR 6,000 for the Company and one fund, payable in respect of the service provided to the Company, plus EUR 1,500 per additional fund without the approval of shareholders (the “Management fees”). The Manager is also entitled to be reimbursed by the Funds for all reasonable out-of-pocket expenses properly incurred by it in the performance of its duties, plus VAT, if any.

The Management Fees accrue daily and are payable monthly in arrears. Management fees incurred during the

financial year and due at the financial year end are disclosed in the Statement of Comprehensive Income under “Management fees” and Statement of Financial Position under “Management fees payable”, respectively.

Carne Global Fund Managers (Ireland) Limited, as Manager to the Company, earned a fee of USD 98,940 (31 December 2022: USD 93,655) during the year, of which USD 6,834 (31 December 2022: USD 6,095) was payable at financial year end.

Yvonne Connolly, a Director of the Company, is also a Principal of Carne Global Financial Services Limited (“Carne”), the parent company of the Manager. During the financial year, Carne Global Financial Services Limited earned fees amounted to USD 9,809 (31 December 2022: USD 8,768) and USD 46,974 (31 December 2022: USD 36,824) in respect of Director support services and other fund governance services provided to the Company, respectively, of which USD nil are payable at financial year end (31 December 2022: Nil).

Investment Manager

In respect of the USD Accumulation Share Class (until its closure) and the Euro Accumulation Share Class, the Funds paid the Investment Manager an annual investment management fee equal to 0.70% of the average daily net asset value of the relevant share class for Causeway Global Value UCITS Fund and 0.90% of the average daily net asset value of the relevant share class for Causeway Emerging Markets UCITS Fund. In respect of the GBP Accumulation RDR II Share Class (until its closure), Causeway Global Value UCITS Fund paid the Investment Manager an annual investment management fee equal to 0.52% of the average daily net asset value of the relevant share class (the “Investment Management Fees”).

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

The Investment Manager is also entitled to be reimbursed by the Funds for all reasonable out-of-pocket expenses properly incurred by it in the performance of its duties, plus VAT (if any).

The Investment Management fees accrue daily and are payable monthly in arrears. Investment Management fees incurred during the financial year and due at the financial year end are disclosed in the Statement of Comprehensive Income under “Investment Management fees” and Statement of Financial Position under “Investment Management fees payable”, respectively.

Investment Management Fees rebate

Within 10 business days of the Investment Manager’s receipt of the Investment Management fees on a monthly basis, certain shareholders in the USD Accumulation Share Class (until its closure) and Euro Accumulation Share Class of the Causeway Emerging Markets UCITS Fund may be entitled to a rebate from the Investment Management fees paid to the Investment Manager (the “Rebate Amount”) such that the effective net annual Investment Management fees are equivalent to a certain percentage of the Funds’ average daily net asset value as agreed between the Investment Manager and each shareholder. The shareholders in the GBP Accumulation RDR II Share Class (until its closure) of Causeway Global Value UCITS Fund were not entitled to a rebate from the Investment Management fees paid to the Investment Manager.

The Rebate amount payable to a shareholder in Causeway Emerging Markets UCITS Fund pursuant to the above paragraph may be automatically re-invested in shares of the Funds as soon as practicable at the prevailing sub-

scription price for shares at the time of re-investment calculated in accordance with the Prospectus, on a monthly basis, by BNY Mellon Fund Services (Ireland) Designated Activity Company (the “Administrator”).

The Rebate amount for the financial year ended 31 December 2023 were nil for Causeway Global Value Fund (31 December 2022: Nil) and USD 131,501 for Causeway Emerging Markets UCITS Fund (31 December 2022: USD 132,847) which is included in the proceeds from redeemable participating shares issued in the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares.

Expense limits

The Investment Manager may voluntarily undertake to reduce or waive its fee as payable by the Funds and, if necessary, reimburse expenses or make other arrangements to reduce expenses of the Funds to the extent that such expenses exceed such lower expense limit as the Investment Manager may, by notice to the Company, voluntarily declare to be effective. If the Investment Manager waives its fee, it will do so in respect of a share class as a whole, and not in respect of individual shareholders. This is without prejudice to any rebate payments of the Investment Management Fees in respect of the USD Accumulation Share Class and Euro Accumulation Share Class. During the financial year, the Investment Manager has undertaken to limit aggregate annual operating expenses (excluding expenses for interest, taxes, brokerage fees and commissions, shareholder service fees, fees and expenses of other funds in which the Funds invest, and extraordinary expenses) of Causeway Global Value UCITS Fund and Causeway Emerging Markets UCITS Fund of their respective average daily net asset values based on the rates set forth in

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

the relevant Fund's supplement. During the financial year ended 31 December 2023, USD 233,775 (31 December 2022: USD 209,116) was reimbursed and/or waived by the Investment Manager in respect of Causeway Global Value UCITS Fund. During the financial year ended 31 December 2023, USD 529,304 (31 December 2022: USD 514,420) was reimbursed and/or waived by the Investment Manager in respect of Causeway Emerging Markets UCITS Fund.

Directors' fees and shareholdings

The Directors are responsible for monitoring the Company's performance and for the overall management and control of the Company.

The Directors shall be entitled to a fee in remuneration for their services at a rate to be determined from time to time by the Directors, but so that the amount of Directors' remuneration in any one year shall not exceed EUR 50,000 in aggregate at the Company level. Gracie V. Fermelia, who is an employee of the Investment Manager, does not have a right to fees for her services as a Director. The Directors may also be paid all travelling, hotel and other expenses, properly incurred by them, in attending and returning from meetings of the Directors or general meetings of the Company or in connection with the business of the Company. The Directors, may in addition to such remuneration, grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the Company and such remuneration will be at normal commercial rates.

The Directors' fees incurred during the financial year, including Directors' insurance, and the amount due at the financial year end are disclosed in the Statement of

Comprehensive Income and Statement of Financial Position, respectively.

As at 31 December 2023, all of the participating shares in Causeway Emerging Markets UCITS Fund were held by two investors (31 December 2022: three investors), all of whom were held in nominee or trustee accounts. Causeway Global Value UCITS Fund was fully redeemed on 15 December 2023.

The Directors did not hold any shares in the Company at 31 December 2023. Bronwyn Wright held 1 share in Causeway Emerging Markets UCITS Fund which was redeemed 21 February 2023.

As at 31 December 2023 and 31 December 2022, an employee of the Investment Manager and the Investment Manager each held 1 subscriber share for the purposes of complying with the Central Bank UCITS Regulations.

8. Depositary and Administrator fees

Depositary

The Depositary is entitled to an annual fee of up to 0.02300% per annum of the net asset value of each Fund in respect of the first USD 100,000,000, 0.01725% in respect of USD 100,000,000 to USD 250,000,000, 0.014375% in respect of USD 250,000,000 to USD 500,000,000 and 0.01150% thereafter subject to a minimum annual fee of USD 34,500 per Fund. Such fees accrue daily and are payable monthly in arrears.

In addition, the Depositary is entitled to the payment of certain charges based on transactions undertaken by the Funds and for sub-custody fees. The fees and expenses

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

of any sub-custodian appointed by the Depositary will be at normal commercial rates and shall be paid out of the assets of the Funds.

The Depositary is also entitled to be reimbursed by the Funds for all reasonable out-of-pocket expenses properly incurred by it in the performance of its duties, plus VAT (if any).

The Depositary fees incurred during the financial year and due at the financial year end are disclosed in the Statement of Comprehensive Income and Statement of Financial Position, respectively.

Administrator, Registrar and Transfer Agent fees

The Administrator is entitled to an annual fee payable by the Funds of up to 0.0425% per annum of the net asset value of each Fund in respect of the first USD 100,000,000, 0.0400% in respect of USD 100,000,000 to USD 250,000,000, 0.0350% in respect of USD 250,000,000 to USD 500,000,000 and 0.0225% thereafter subject to a minimum annual fee of USD 50,000 per Fund. Such fees are accrued daily and are payable monthly in arrears.

The Administrator is also entitled to the payment of fees for acting as Registrar and Transfer Agent and transaction charges (which are charged at normal commercial rates), which are based on transactions undertaken by the Funds, the number of subscriptions, redemptions, exchanges and transfer of shares processed by the Administrator and time spent on shareholder servicing duties and to the reimbursement of operating expenses.

The Administrator is also entitled to be repaid for reasonable out-of-pocket expenses properly incurred on behalf of the Funds, including VAT (if any).

The Administration fees incurred during the financial year and due at the financial year end are disclosed in the Statement of Comprehensive Income and Statement of Financial Position, respectively.

9. Transaction costs

Transaction costs are costs incurred to acquire financial assets or financial liabilities at fair value through profit or loss and include fees and commissions paid to agents, advisers, brokers, dealers and governments.

Transaction costs incurred for the purchases and sales of equities and futures contracts are included in the Statement of Comprehensive Income within net gains/ (losses) on financial assets and financial liabilities at fair value through profit or loss and are detailed in the table below.

	For the financial year ended 31 December 2023	For the financial year ended 31 December 2022
Causeway Global Value UCITS Fund*	USD 59,931	USD 57,805
Causeway Emerging Markets UCITS Fund	USD 122,237	USD 115,894

* Causeway Global Value UCITS Fund was fully redeemed on 15 December 2023.

10. Taxation

Under current law and practice, the Company qualifies as an investment undertaking as defined in Section 739B (1) of the Taxes Consolidation Act, 1997, as amended. On that basis, it is not chargeable to Irish tax on its income and gains. However, Irish tax may arise on the happening of a “chargeable event”. A chargeable event includes any distribution payments to share-

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

holders or any encashment, redemption, cancellation or transfer of shares and the holding of shares at the end of each eight year period beginning with the acquisition of the shares.

No Irish tax will arise on the Company in respect of chargeable events in respect of:

(a) a shareholder who is neither Irish resident nor ordinarily resident in Ireland for tax purposes at the time of the chargeable event, provided appropriate valid declarations in accordance with the provisions of the Taxes Consolidation Act, 1997, as amended, are held by the Company; or the Company has been authorised by the Irish Revenue to make gross payments in the absence of appropriate declarations; and

(b) certain exempted Irish resident investors who have provided the Company with the necessary signed statutory declarations.

Dividends, interest and capital gains (if any) received on investments made by the Company may be subject to withholding taxes imposed by the country from which the investment income/gains are received and such taxes may not be recoverable by the Company or its shareholders.

Causeway Emerging Markets UCITS Fund records a liability for Brazilian capital gains tax based on unrealised gains on Brazilian investments. As at 31 December 2023, capital gains tax accrued in the Statement of Financial Position amounted to USD 96,000 (31 December 2022: USD Nil).

11. Soft commission arrangements

Soft commission arrangements are entered into when the Investment Manager uses certain investment

research services which assist in the management of the Funds' portfolio investments, which are provided by certain brokers.

To the extent that research services may be a factor in selecting broker-dealers, these services may be in written form or through direct contact with individuals. Eligible research may include information about securities, companies, industries, markets, economics, the valuation of investments and portfolio strategy. The Investment Manager may receive research in the form of research reports, computer and technical market analyses, and access to research analysts, corporate management personnel, and industry experts.

Brokerage and research services furnished by broker-dealers may be used in servicing all accounts and not all these services may be used in connection with the account that paid the commissions generating the services. As a result of receiving research, the Investment Manager has an incentive to continue using the broker-dealers to provide services to the Investment Manager.

Details of soft commission arrangements during the financial year are as follows:

Commission sharing arrangements ("CSAs")

The Investment Manager uses CSAs with certain broker-dealers. These CSA broker-dealers execute trades and credit portions of soft dollars to accounts from which the Investment Manager directs payments to third-party broker-dealers and independent research providers based on research services performed by such parties. There were no new CSAs entered into by the Investment Manager on behalf of the Company during the current and prior financial year.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

The use of CSAs is intended to assist the Investment Manager in providing credits to broker-dealers who, in its judgment, provide the best access to analysts and management, and to independent research providers, while using reliable executing broker-dealers which the Investment Manager believes will benefit the Investment Manager's clients' accounts, including the Funds.

The Investment Manager will endeavor at all times to obtain best execution on all transactions for all clients, including the Funds.

12. Contingent liabilities

There were no significant commitments or contingent liabilities as at 31 December 2023 and 31 December 2022.

13. Significant events

Events arising in Ukraine and Global Conflicts

Russia's invasion of Ukraine in February 2022, the resulting responses by the U.S. and other countries, and the potential for wider conflict, have increased and may continue to increase volatility and uncertainty in financial markets worldwide. The U.S. and other countries have imposed broad-ranging economic sanctions on Russia and Russian entities and individuals, and may impose additional sanctions, including on other countries that provide military or economic support to Russia.

These sanctions, among other things, restrict companies from doing business with Russia and Russian issuers, and may adversely affect companies with economic or financial exposure to Russia and Russian issuers. The extent and duration of Russia's military actions and the

repercussions of such actions are not known. The invasion may widen beyond Ukraine and may escalate, including through retaliatory actions and cyberattacks by Russia and even other countries. These events may result in further and significant market disruptions and may adversely affect regional and global economies including those of Europe and the U.S. Certain industries and markets, such as those involving oil, natural gas and other commodities, as well as global supply chains, may be particularly adversely affected.

Whether or not the Funds invest in securities of issuers located in Russia, Ukraine and adjacent countries or with significant exposure to issuers in these countries, these events could negatively affect the value and liquidity of the Funds' investments.

The Manager continues to assess the impact on valuation and liquidity and will take any potential actions needed, in accordance with the Funds' valuation policies and procedures. Causeway Global Value UCITS Fund did not have direct exposure to Russian securities.

Causeway Emerging Markets UCITS Fund had exposure to Russian securities through global depositary receipts listed on the London Stock Exchange, which are no longer trading and for which no value has been ascribed since March 2022.

In addition, armed conflict between Israel, Hamas and other groups in the Middle East and related events could cause significant market disruptions and volatility. These and other similar events could negatively affect Fund performance.

USD Accumulation Share Class in Causeway Emerging Markets UCITS Fund was fully redeemed on 21 February 2023.

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2023

(continued)

Effective 8 May 2023, a new Prospectus and Supplements were approved by the Central Bank.

Causeway Global Value UCITS Fund GBP Accumulation RDR II Share Class was fully redeemed on 15 December 2023.

There were no other significant events affecting the Company during the financial year.

14. Subsequent events

There were no other subsequent events affecting the Company since the financial year end.

15. Approval of financial statements

The financial statements were approved by the Board of Directors on 22 April 2024.

APPENDIX I: UCITS V REMUNERATION POLICY (Unaudited)

The European Union Directive 2014/91/EU as implemented in Ireland by S.I. No. 143/2016—European Union (Undertakings for Collective Investment in Transferable Securities) (Amendment) Regulations 2016, requires management companies to establish and apply remuneration policies and practices that promote sound and effective risk management, and do not encourage risk taking which is inconsistent with the risk profile of the UCITS.

To that effect, Carne Global Fund Managers (Ireland) Limited (“the **Manager**”), has implemented a remuneration policy that applies to all UCITS for which the Manager acts as manager (the “**Remuneration Policy**”) and covers all staff whose professional activities have a material impact on the risk profile of the Manager or the UCITS it manages (“**Identified Staff of the Manager**”). The Remuneration Policy also applies to all alternative investment funds for which the Manager acts as alternative investment fund manager. In accordance with the Remuneration Policy, all remuneration paid to Identified Staff of the Manager can be divided into:

- Fixed remuneration (payments or benefits without consideration of any performance criteria); and
- Variable remuneration (additional payments or benefits depending on performance or, in certain cases, other contractual criteria) which is not based on the performance of the UCITS.

The Manager has designated the following persons as Identified Staff of the Manager:

1. The Designated Persons;
2. Each of the Manager’s directors;
3. Head of Compliance;
4. Risk Officer;
5. Head of Anti-Money Laundering and Counter Terrorist Financing Compliance
6. Money Laundering Reporting Officer;
7. Chief Executive Officer;
8. Chief Operating Officer;
9. All members of the investment committee;
10. All members of the risk committee and
11. All members of the valuation committee.

The Manager has a business model, policies, and procedures which by their nature do not promote excessive risk taking and take account of the nature, scale, and complexity of the Manager and the UCITS. The Remuneration Policy is designed to discourage risk taking that is inconsistent with the risk profile of the UCITS and the Manager is not incentivised or rewarded for taking excessive risk.

The Manager has determined not to constitute a separate remuneration committee and for remuneration matters to be determined through the Manager’s Compliance and AML Committee, a Committee of the Manager’s Board.

APPENDIX I: UCITS V REMUNERATION POLICY (Unaudited) (continued)

The Manager's Compliance and AML Committee is responsible for the ongoing implementation of the Manager's remuneration matters and will assess, oversee, and review the remuneration arrangements of the Manager as well as that of the delegates as relevant, in line with the provisions of the applicable remuneration requirements.

The Manager employs the majority of staff directly. The Manager's parent company is Carne Global Financial Services Limited ("**Carne**"). In addition, Carne also operates through a shared services organisational model which provides that Carne employs a number of staff and further enters into inter-group agreements with other Carne Group entities to ensure such entities are resourced appropriately. As at 31 December 2023, 12 of the Identified Staff are employed directly by the Manager. The remainder of the Identified Staff are employees of Carne, or employees of another entity within the Carne Group, and are remunerated directly based on their contribution to Carne Group as a whole. In return for the services of each of the Carne Identified Staff, the Manager pays an annual staff recharge to Carne (the "**Staff Recharge**").

The independent non-executive directors are paid a fixed remuneration. The Other Identified Staff members' remuneration is linked to their overall individual contribution to the Manager or the Carne Group, with reference to both financial and non-financial criteria and not directly linked to the performance of specific business units or targets reached or the performance of the UCITS.

The aggregate of the total Staff Recharge, remuneration of the directly employed identified staff of the Manager and the remuneration of the independent non-executive directors for the year ended 31 December 2023 is €2,424,932 paid to 22 Identified Staff¹ for the year ended 31 December 2023.

The Manager has also determined that, on the basis of number of sub-funds / net asset value of the UCITS relative to the number of sub-funds / assets under management, the portion of this figure attributable to the UCITS is €3,247.

¹ This number represents the number of Identified Staff as at 31 December 2023.

APPENDIX 2: CYBERSECURITY RISK (Unaudited)

Cybersecurity breaches may occur allowing an unauthorised party to gain access to assets of a Fund, shareholder data, or proprietary information, or may cause the Company, the Manager, the Investment Manager, the Administrator or the Depositary to suffer data corruption or lose operational functionality. During the COVID-19 pandemic, many employees at the Company's service providers were working from home and many employees continue to work from home under hybrid work arrangements. Attempted cybersecurity attacks may increase due to perceived vulnerabilities and opportunities, and the remote work environment may increase the risk of cybersecurity breaches. There can be no assurance that a cybersecurity breach will be prevented or detected and addressed in a timely manner.

The Company or the Funds may be affected by cybersecurity breaches which include unauthorised access to systems, networks, or devices (such as through "hacking" activity); stealing or the unauthorised release of confidential information (possibly resulting in the violation of applicable privacy laws); infection from computer viruses or other malicious software code; ransomware attacks; corruption of data maintained online or digitally and attacks that shut down, disable, slow, or otherwise disrupt operations, business processes, or website access or functionality.

A cybersecurity breach could result in the loss or theft of shareholder data or data relating to a Fund, the inability to access electronic systems or an interference with the processing of shareholder transactions. This could impact the Funds' ability to calculate their net asset values. It could also result in the loss or theft of proprietary information or corporate data, physical damage to a computer or network system, or costs associated with system repairs. Such incidents could cause the Company, the Manager, the Investment Manager, the Administrator, the Depositary, or other service providers to incur legal liability, regulatory penalties, reputational damage, additional compliance costs, or financial loss. Consequently, shareholders may lose some or all of their invested capital. In addition, such incidents could affect issuers in which the Funds invest, and thereby cause the Funds' investments to lose value, as a result of which investors, including a Fund and its shareholders, could potentially lose all or a portion of their investment with that issuer. The Funds may also incur additional costs for cybersecurity risk management purposes.

There is a cyber-risks policy in place for the Funds. However, as the Funds operate under the delegated model, whereby they have delegated management (including investment management), administration and distribution functions to the Investment Manager, the Administrator and the Depositary, the Funds rely on the cybersecurity controls in place at these service providers. The Board has in place mechanisms for monitoring the exercise of such delegated functions, which are always subject to the supervision and direction of the Board.

APPENDIX 3: EU SUSTAINABLE FINANCE DISCLOSURE REGULATION (“SFDR”) (Unaudited)

The Funds are categorised as Article 6 fund under Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability-related disclosures in the financial services sector.

The investments underlying these Funds do not take into account the EU criteria for environmentally sustainable economic activities within the meaning of Regulation (EU) 2020/852 of the European Parliament and of the Council of 18 June 2020 on the establishment of a framework to facilitate sustainable investment, and amending Regulation (EU) 2019/2088.

APPENDIX 4: SECURITIES FINANCING TRANSACTIONS REGULATION

The Company is not subject to the disclosure requirements of the Securities Financing Transactions Regulation.
